From Our President

Claire J. Portmann

Hello everyone,

I hope you are rested up from all the activities we have been involved in this last month. I think an enjoyable evening was had by all at the 50th Anniversary Party. I know I did. Everyone, members and guests, got into the spirit of the night. And, it was wonderful to see so many past members and presidents in attendance. Thank you all.

I haven't seen any numbers yet, but I believe that Sunfest went well and fun was had from the comments I have seen on Facebook. Thank you so, so much to **Cecilia Hudnet** for organizing this fundraising & service event along with a big thank you to **Mary Ward** and her husband **Ben**, who provided much assistance to Cecilia.

I am looking forward to hearing about the Student Art Awards. Thank you **Dixie Lee Dorsey, Karen Eddowes, Judy Roy and Ana Warder** for taking this on. And I appreciate everyone who participated in the judging, hosting and providing refreshments to the award recipients and their families.

We had five members attend GFWC Florida Spring Convention in Orlando. **Jeanne Takeda, Mary Ward, Cecilia Hudnet, Ana Warder** and I share a room at the Rosen Plaza. Can you imagine? I can't believe they got any sleep with my snoring! We had the pleasure of seeing friends from other clubs across the state. We were recognized for the 50th Anniversary of our Club joining the Federation and we cheered as we received awards in many categories. Come to the meeting to hear where we were recognized.

But we are not done yet...This Saturday, May 10th, is our Road Clean Up. See you at the Corner Café parking lot at 9 am. **Ana Warder** is coordinating this.

Also, be collecting those papers you no longer need, but do not want to just toss out. **Bonnie Larson** is holding our Shred It event in Tequesta Park on May 31st.

Thank you each and every one. Your contributions of time and energy are greatly appreciated.

You may or may not have children of your own, but I know all our members nurture and care for others. That's mothering. So I wish one and all a Happy Mother's Day.

A NIGHT OF WHITE ICE - 2014

"A Night of Giving"

November 8, 2014

Loxahatchee River Center /

http://www.loxahatcheeriver.org/environmental_center.php

Event of the year for 2014.

This will be our First White Party Charitable Event. The party will take place at Loxahatchee River Center and will benefit **One Voice for Children – GFWC Florida Juniors**. Our goal is to have **100 +** local professionals such as doctors, lawyers, financial advisors, publicist, athletes, local celebrities and other charitable professionals will be in attendance. With the anticipated attendance and our potential for sponsorship dollars, our goal for 2014 is to **raise \$10,000**. for this great charity.

Be a part of this fun and charitable event by start promoting the event. The price for the event will be \$75.00 per person. Let's keep in mind that Fundraising and Development is about people and relationships. Use those connections remember each member has a wide circle of friends and contacts.

1. Searching: Let's think about people we know as potential donors. How many care about the cause that our club is supporting? Do they support the work that we and our fellow members do in our community: Passion and commitment often go further than wealth when seeing a reliable giver. Let's make sure that we have each member reaching out to our community for donations that will be use in our Silent Auction. We will have items that will be raffle as well.
2. Developing: Potential donors should be cultivated as "friends". Show sincere gratitude for the interest shown by potential donors. Share as much information as you can, be active listener, and answer any questions as thoroughly as possible. If you do not know the answer please obtain their information and I will get back to them with an answer.
3. Asking: This is the most difficult step, because most people do not like to ask-or be asked- for donations or money. We like to think of financial donations as the result of free, individual choices of what causes we want to support. However let's remember there are other jobs in the process that may be more appropriate, and satisfactory, for other members. **Fundraising is a Team Effort.**
